

Letter to Linde Gas, Romania

Munich, 27.05.2014

Dear Sirs,

We herewith confirm that SC CRIOMEK SA Galati has performed the main part of civil construction for our new HYCO Petrom Brazi. CRIOMEK has acted as General Contractor (civil, mechanical and electrical works). The work has been performed corresponding to the valid specifications. The quality and the performance have been according Linde standard.

SC CRIOMEK SA has the necessary experience to manage a job of the size and standards as erected at HYCO Petrom Brazi.
